

If you are in Bangkok from September 26 to 28, this may be of interest to you.

DKSH (Thailand) Limited, the sole agent for the A&D laboratory balances and scales in Thailand, will be participating in the forthcoming [Thailand Lab 2012](#) at [Bangkok International Trade & Exhibition Centre \(BITEC\)](#).

In addition to longtime bestsellers like the SV-10, MX-50 and GR-200, our unique [AD-1687](#) Weighing Environment Logger as well as our [BM-20](#) micro analytical balance will be on display.

Why not take a moment of your time and visit their booth at D13 & E14? We guarantee you WILL NOT be wasting your time!
