WinCT-Weight (Windows Communication Tools)

WinCT-Weight is a program for transmitting data from an A&D balance to a computer.

The weighing data can be retrieved from the balance and displayed in graph
form on the monitor screen in real-time. Maximum, minimum, average,
standard deviation and coefficient of variation values of data can be
calculated and displayed.

Below are instructions for installation and use of WinCT-Weight.

==
1. System Requirements

Computer
   OS   Microsoft Windows XP or later versions
   RS-232C   1port

   Balance   An A&D balance with an RS-232C interface
   Cable   An RS-232C cable

CAUTION
- Back up your important data in the computer before installing WinCT-Weight.

==
2. Installation Instructions

Step 1 Close all open applications in Windows.

Step 2 Execute "¥Disk1¥Setup.exe".

Step 3 Check the contents displayed on the screen and click "OK".

Step 4 Specify the directory into which the program will be installed
        (Default C:¥Program Files¥WinCT-Weight).

Step 5 Press the "Setup" button.

Step 6 Select a group name for the START menu (Default A&D WinCT-Weight).

Step 7 Press the "OK" key to complete the WinCT-Weight installation.

==
3. Starting WinCT-Weight

Run the "RsWeight" menu.
Default menu address is [Start] - [Program] - [A&D WinCT-Weight] - [RsWeight].

CAUTION
- WinCT-Weight is a program for balances that use the A&D format. A&D does not
  guarantee performance or compatibility when other manufacture's balances
  are used with WinCT-Weight.

==
4.License Agreement and Limited Warranty

- WinCT-Weight is subject to change without notice and does not represent a
  commitment by A&D to support earlier versions or to make changes to
  support non standard computers.
- WinCT-Weight is intended for the transmission of the weighing data from an A&D
  balance to a PC, and command transmission for controlling the balance.
- Under copyright laws, the WinCT-Weight program may not be copied, in whole or
  part, without the consent of A&D, except as specified in the license
  agreement.

- WinCT-Weight should only be installed on the hard disk or peripheral storage
  devices of a computer connected to an A&D balance.
- A&D bears no liability for direct, indirect, special, incidental, or
  consequential damages resulting from any defect in the WinCT-Weight program or
  the readme file, even when advised of the possibility of such damage.
- A&D is not responsible or liable for the loss of any programs and/or
  data stored in the computer on which WinCT-Weight was installed, including the
  costs of recovering said lost programs or data.
