

Dear Customers

Information on End of Support for Windows7/8 for WCAPRO

Thank you for your support and continued patronage.

As a result of Microsoft ending support for Windows 7 as of January 14, 2020, we will end Windows 7 support for the Vibration and Noise Analysis System (WCA-series) software "WCAPRO" at the end of March 2021. In addition, support for Windows 8, which Microsoft stopped supporting as of January 13, 2016, will also end at the end of March 2021. We thank you very much for your understanding, and we look forward to your continued support.

Sincerely yours
